iPads and Apps

Are used in the BSN-PB program to enhance the online learning.

- Augment and enrich content
- Support creativity
- Facilitate interaction
- Personalize learning

iPastel App

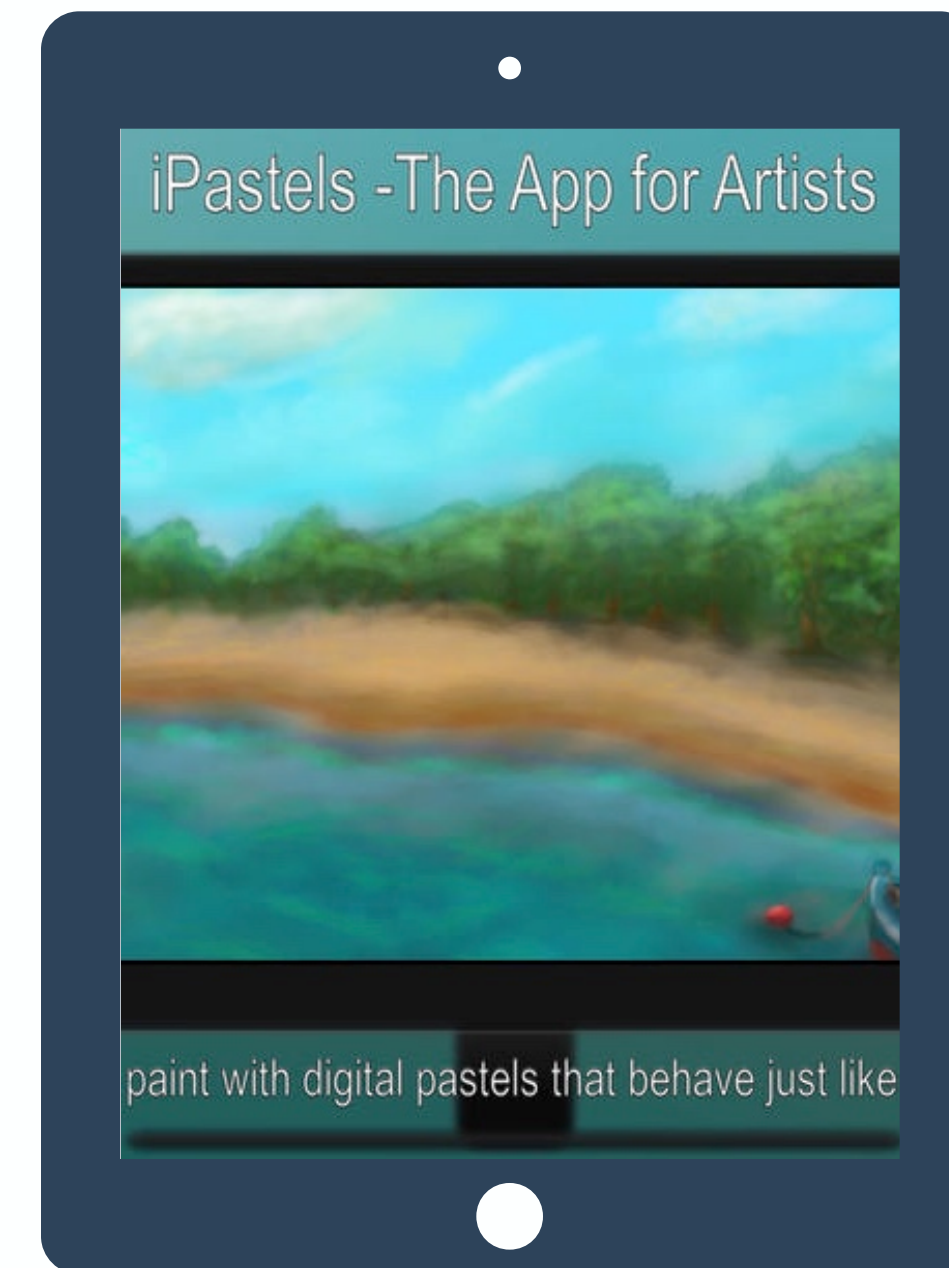

For Artistic Work

The natural app for artists.
Draw and paint with digital
pastels that behave just like
real ones!

FREE VERSION

OFFICIAL WEBSITE:
<http://www.ipastels.com>

MAC, iPhone, iPad

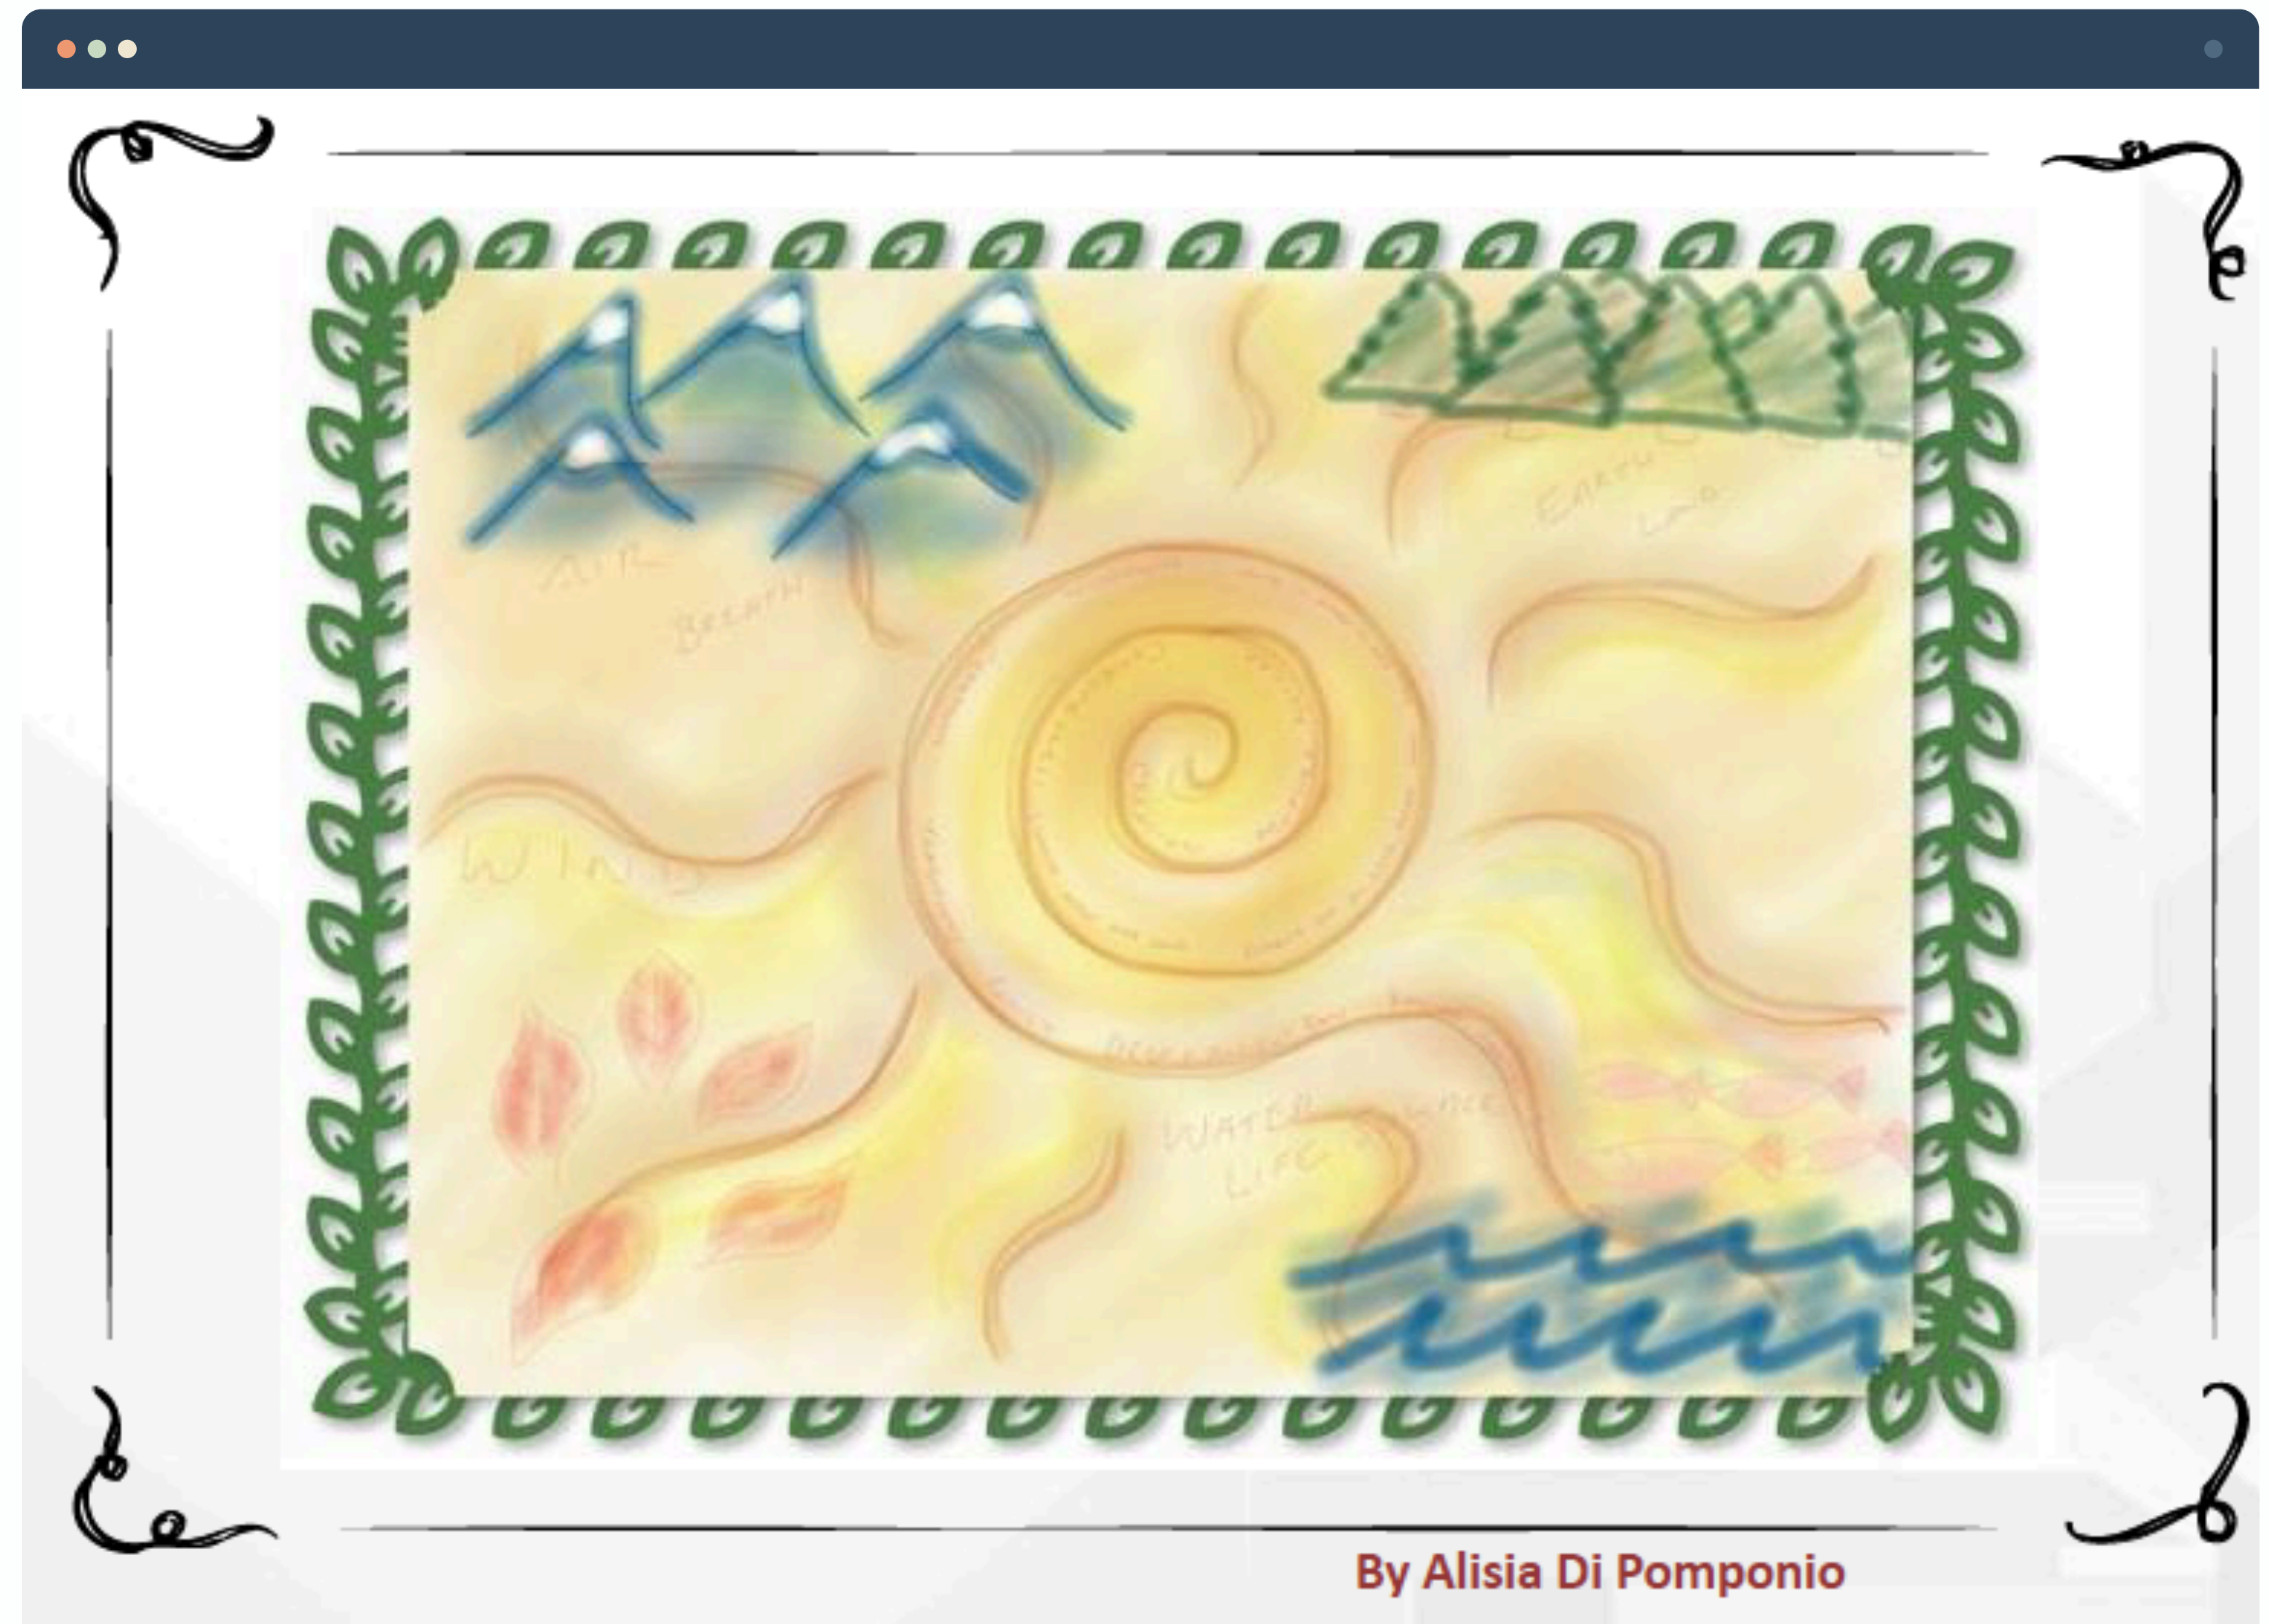

This app will let you create beautiful digital works of art. Simulating soft (chalk) pastels, oil pastels and colour blending, the iPastels app tries to be as realistic as possible.

<https://itunes.apple.com/ca/app/ipastels/id489302558?mt=8>

Student work in iPastels

All My Relations

Students use various artistic apps to illustrate concepts, process information, and visually represent the topics they are learning to reinforce their understanding.

By Alisia Di Pomponio

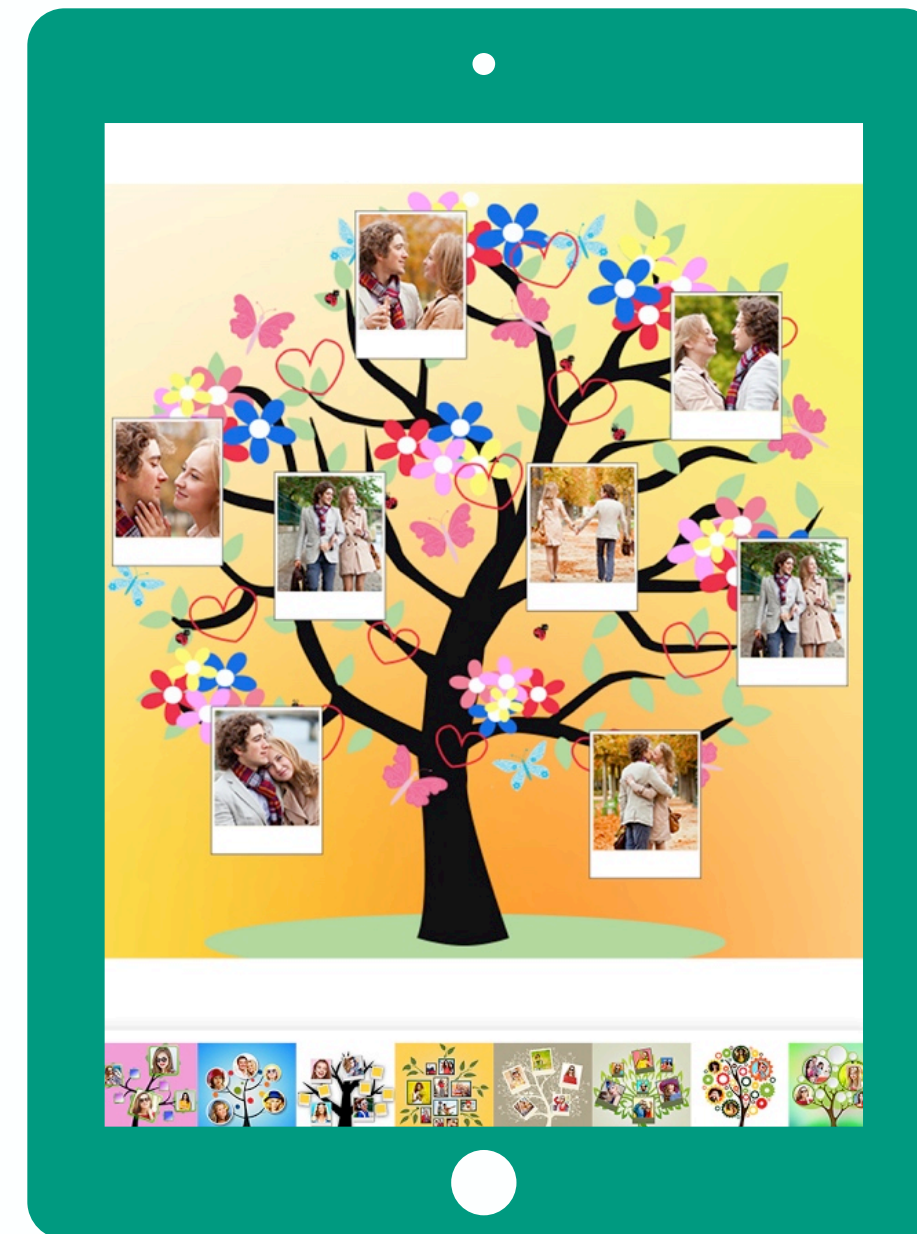

Pic Collage Pro (or Free)

Photo Display App

Pic Collage is a student favorite. Can be used to display the photographs they take for various projects, make teaching materials, and illustrate other assignments.

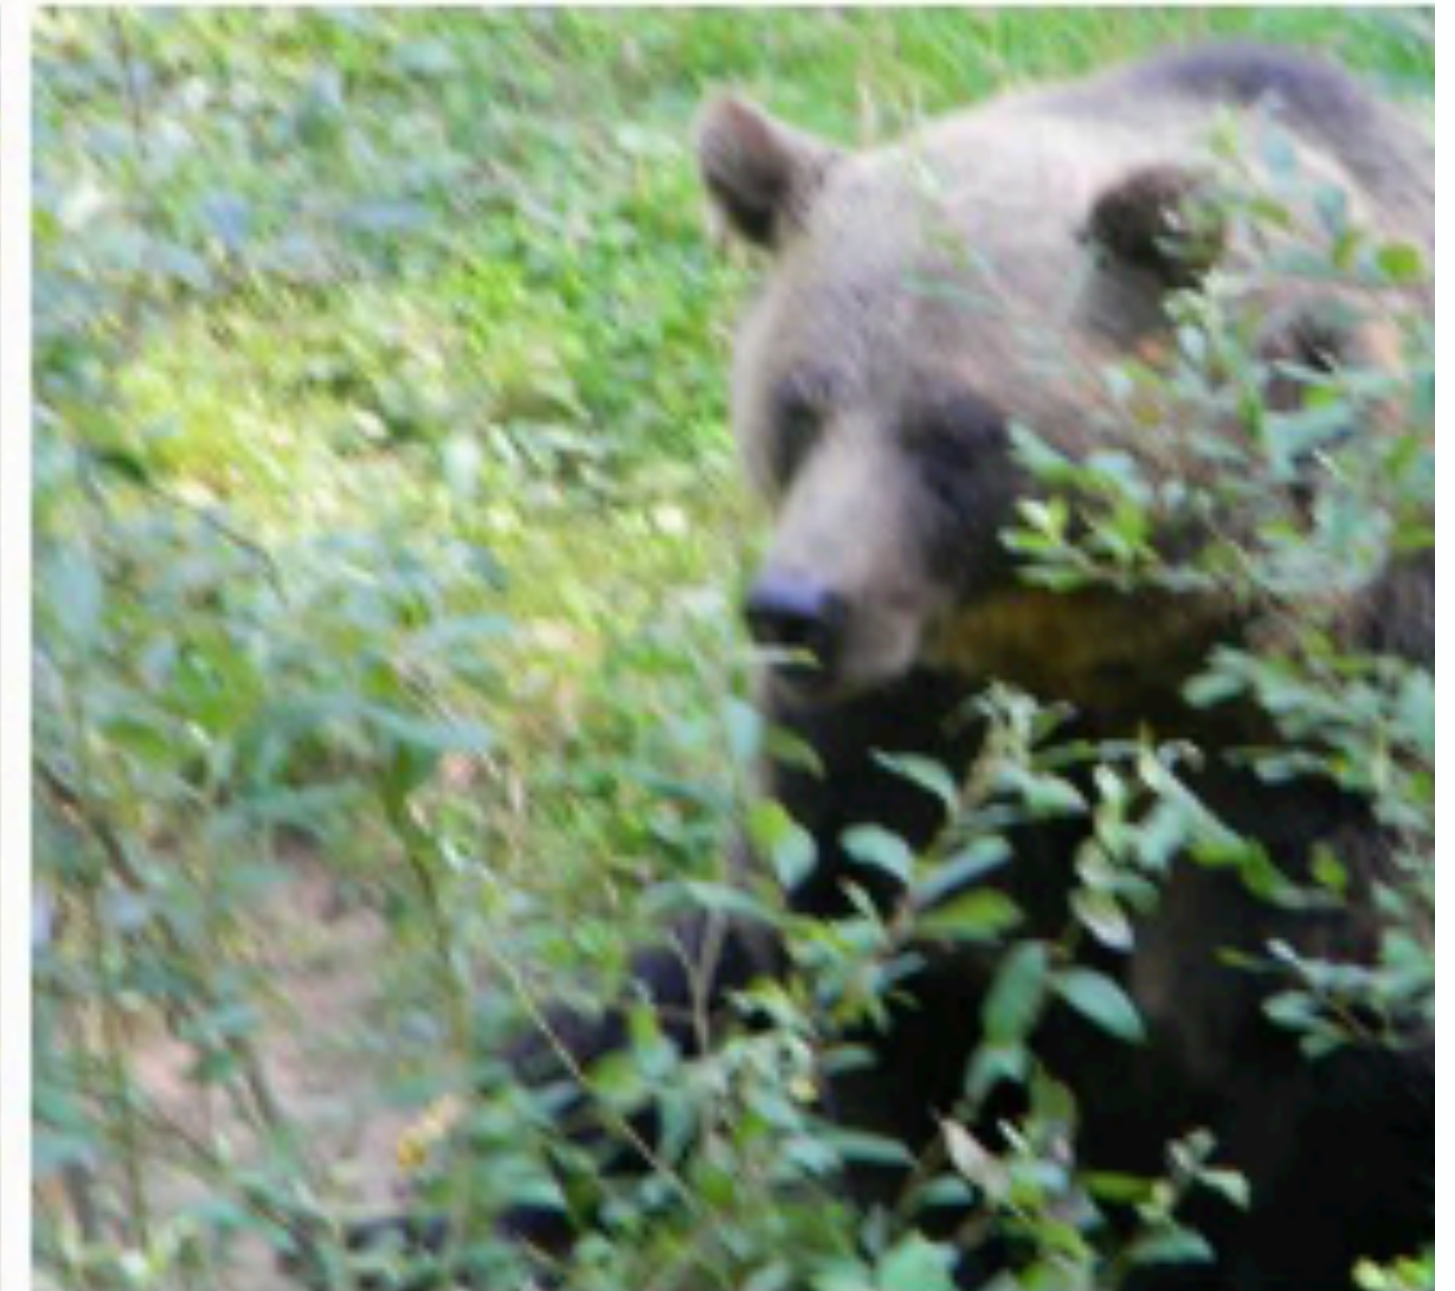

COST \$4.99 FOR PRO

OFFICIAL WEBSITE:
<http://piccollage.com>

PicCollage lets you instantly arrange your photos into frames - or get creative with freeform collages, cutouts, filters, borders, stickers, and text. Works on iPad, Iphone, Androdi, Windows

<https://itunes.apple.com/us/app/piccollage/id448639966?mt=8>

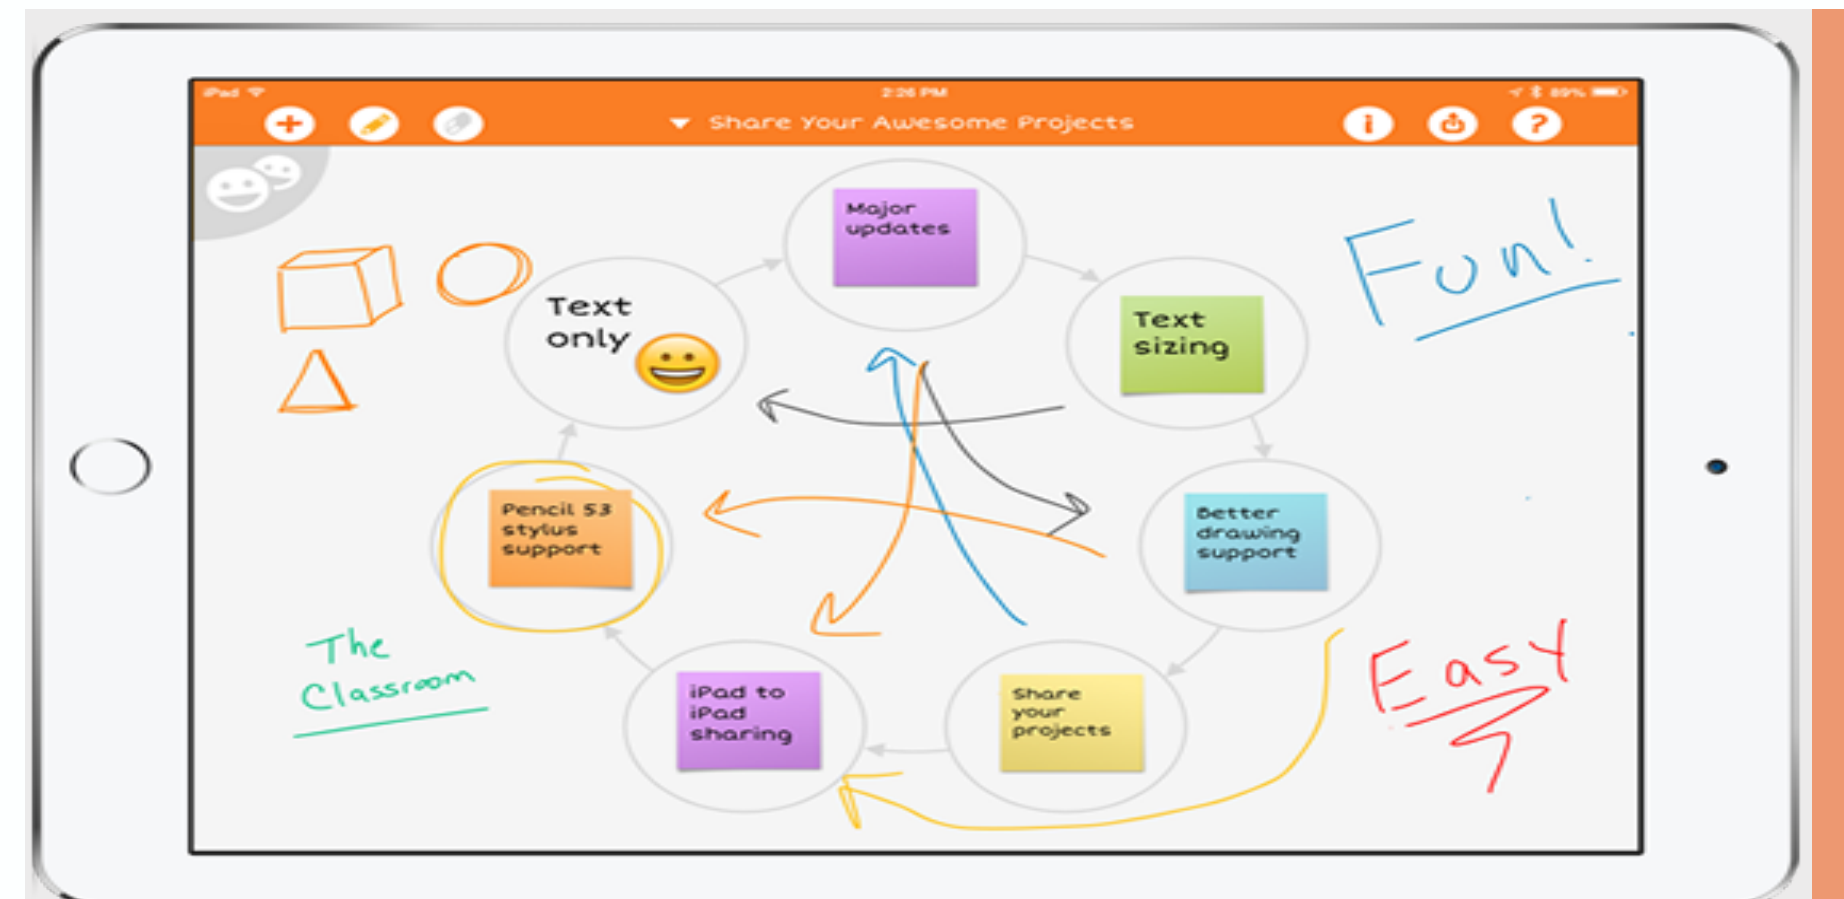

Pic Collage

One of my own examples of work done in PicCollage for a presentation.

iBrainstorm

Concept Mapping and Brainstorming Tool

FREE – for iPads

Add a note, then drag and drop it anywhere on the iPad's screen to create any desired order or pattern. Great for concept mapping, planning, collaborating.

<http://itunes.apple.com/us/app/ibrainstorm/id382252825?mt=8>.

OFFICIAL WEBSITE <http://www.ibrainstormapp.com>

Capturing and sharing your inner most creative genius has never been easier. Introducing the first multi-device collaboration tool from Universal Mind. From iPad to iPad with just a flick of the finger,

Student Work in iBrainstorm

Fluid & Electrolyte Imbalance Case Study

Students enjoy using this app for brainstorming and illustrating complex topics and concepts. They can also share their work with 3 other people with iPads so it facilitates group work as well.

Penultimate

Handwriting & Drawing Tool

Penultimate is the award-winning digital handwriting app for iPad that combines the natural experience of pen and paper with power of Evernote's sync and search features

For iPad

Cost depends on paper, and other tools you download. .

Your handwriting and drawing look spectacular in our industry-leading digital ink, with three carefully crafted pens on beautiful paper with a magic eraser tool that's always the right size.
