Abuse Affects Everyone

Take A Stand.....Get Involve!

It Takes A Community To End This Cycle

Abuse is when someone intentionally tries to use fear, intimidation, verbal/nonverbal or physical means to gain control.

Forms Of Abuse

*Physical,emotional/psychological,financial,sexual,
Stalking/cyberstalking, spiritual and neglect.*

Some Observable Indicators

*Bruises, poor hygiene,depression,isolation(family/friends), frequent unexplained injuries,
frequent fatigue,malnourish
,frequent lateness/absences, decrease attentiveness and insufficient resources to live.*

Ways To Help

*Determining the want for help ,provide information for resources/support groups and be
there for them.*
